## CME CREDITS

The ISGS Advanced Surgical Wetlab Course is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS), [www.uems.net](http://www.uems.net). The ISGS Advanced Surgical Wetlab Course is designated **for a maximum of 12 hours of European external CME credits**. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at [www.ama-assn.org/go/internationalcme](http://www.ama-assn.org/go/internationalcme).

The online CME questionnaire will be available on the Course website [www.isgs.info](http://www.isgs.info) **from December 11th till 31st, 2017**.

Please note that your registration code, printed on your badge, is necessary to access the online CME questionnaire. The UEMS certificate will be sent to your e-mail address.

**CME QUESTIONNAIRE**
